INVITATION TO THE YOUTH IN ACTION 4.3 TRAINING COURSE
„RIDE THE WINGS OF IMAGINATION”

1ST-8TH JULY, 2012
ZEBEGÉNY, HUNGARY

Project Summary

The participants of the 'Ride the wings of imagination' training course are experienced youth workers, who represent organizations from all over Hungary, the Czech Republic, Lithuania, Poland, Romania and Italy. The main topics of our meeting are the possibilities of implementation an innovative method in an informal education which is called LARP (Live Action Role Playing Game).

The purpose of a training course is to pass on the knowledge how to use LARPs in work with the youth, how to create an international project based on this method and how to connect other methods of an informal education with LARPs effectively. The methods of working were selected as a result of our experience from the projects we have run previously. These methods have evolved from theatre games, which were conducted during the last few years as a part of Action 1.1 in Poland and abroad including thematic workshops (pedagogy of theatre, pedagogy of experience, language animation, LARP, LARP handouts, theatre make-up, scenography), the layout- what's LARP, Youth in Action, YouthPass), Discussion, Trip, City Game, Flash Mob, Happening.

The project will result in better and more intensive cooperation with other organizations, which have already started co-working by promoting LARPs in Europe (Poland, Hungary, Lithuania). Our aim is also to build and strengthen cooperation with the other partners in this area. According to that, we will continue to spread the actions our organizations started three years ago as a part of Action 1.1 projects. By taking part in this project, the organizations will improve their tool potential in working with the youth due to a innovative method.

Moreover, the training course will effect in higher quality level of the projects. 18 participants will be trained and will join the team of our
